Inspection of Instructional Material

The parent(s) or legal guardian(s) of students enrolled in a Murfreesboro City school may inspect instructional material by requesting that the teacher provide a time and place for such inspection.

Challenge of Instructional Material

If after inspection, the parent(s) or legal guardian(s) wishes to object to any such instructional material, an objection must be given to the school principal in writing. Should the school principal not be able to resolve the objection to the satisfaction of the parent(s) or guardian(s), further review by the persons listed below may be requested; each must have the opportunity to investigate and respond to the parent(s) or legal guardian(s) before the matter is referred to the next level.

Coordinator of Instructional Support
Associate Director of Instruction and Professional Development
Director of Schools
